Authentication Server Login

HONDA

Authentication Server Login

*You are accessing Web site of Honda Motor Co., LTD.

• User ID

• Password Note: Passwords are valid for 90 days.

Note:
Password reset process has been systemized.
 * For self-reset of password from here on, it is necessary to register "E-mail address" in advance from "User information self-edit".
 To enter "User information self-edit" screen, enter user ID and password in login screen and click login button, which is displayed after clicking "User information self-edit" link below.
 If E-mail address has not been registered, password reset by existing operator is applied.

Login

• Enter your user ID and password and click the login button.
 • After a period of inactivity or after a long period of activity, you may have to login again.
 • When you leave each screen inactive for a while, the login screen will appear again. In that case you will not be able to continue from where you were. Start from the top screen again.

MaRIS II 首次登录操作指引

The screenshot shows a web browser window titled "Authentication Server Login - Windows Internet Explorer". The address bar shows "https://biz.honda.co.jp/sip70". The page content includes the Honda logo, the title "Authentication Server Login", and a note: "*You are accessing Web site of Honda Motor Co., LTD.".

Two blue callout boxes provide instructions:

- Top callout: "输入ID:大写CG+特约店代码" (Enter ID: Uppercase CG + Dealership Code) and "输入Password:大写CG+特约店代码" (Enter Password: Uppercase CG + Dealership Code).
- Bottom callout: "点击 'Login' 登录" (Click 'Login' to login).

The login form has two fields:

- User ID: A text box containing "CG174004".
- Password: A password box with masked characters "*****".

A red note next to the password field states: "Note: Passwords are valid for 90 days.".

Below the form, a "Login" button is circled in red. Further instructions include:

- Note: Password reset process has been systemized.
- * For self-reset of password from here on, it is necessary to register "E-mail address" in advance from "User information self-edit".
- To enter "User information self-edit" screen, enter user ID and password in login screen and click login button, which is displayed after clicking "User information self-edit" link below.
- If E-mail address has not been registered, password reset by existing operator is applied.

At the bottom of the page, there are three links: "Change Password", "Password Reset Request", and "User information self-edit".

MaRIS II 首次登录操作指引

The screenshot shows a web browser window titled "Password change - Windows Internet Explorer". The address bar shows a URL from honda.co.jp. The main content area displays a message about password expiration and a "Change Password" link. Below this, there are input fields for "User ID" (CG174004), "Old Password", and "New Password". A "SUBMIT" button is at the bottom right of the form. Red circles highlight the "Change Password" link, the "Old Password" field, and the "SUBMIT" button. A red box contains password requirements: "*Your password must be single-byte letters or numbers. (Please note that no double byte characters may be used) *Must be 6 to 16 characters".

系统提示：
首次登录需要修改密码，以后**每3个月**需要修改一次密码，否则需要**重置密码**。

在这里输入旧密码（大写CG+特约店代码）和自己设定的新密码（8至16位字母或数字）

点击“SUBMIT”确定
